

## RIDING EQUIPMENT ATTACHMENTS BY AGRI-FAB

### Carts

45-0464-100

#### 45-0464-100

- 15 cube compression molded poly bed
- Wider, larger capacity 800/900 lbs. than other models in the market
- 1" diameter axle (30% larger than competition)
- Foot pedal bed lift
- Molded hand hold location in bed
- Options for side wood stake rack kit and bed dividers
- Recessed bolt area's for smooth bed surface
- Quick and easy assembly
- Standard rail kit

45-0653B-100  
45-0425A-100

#### 45-0653B-100

- 12 cu. ft capacity
- 16" x 4" tires with grease zerks and steel rim rolls easily over terrain
- 30% larger axle diameter for stronger heavier loads
- Tailgate guides help guide tailgate for longer usage
- Welded rear angle brace reinforces cart bed when tailgate is removed for unloading
- Larger steel bed is 4 inches longer than competitive models

#### 45-0425A-100

- 17 cu. ft capacity - 1,500 weight capacity
  - Hub caps for a finished look
  - 16" turf tread tires roll easier over terrain
  - 33% larger axle diameter for stronger heavier loads
  - 13% stronger steel thickness - heavier feel, less likely to dent
-

## Lawn Sweeper / Mow-N-Vac

45-0456-100

### 45-0456-100

- 44" working width
- 25 cu. ft. hopper capacity
- Patent-pending offset hitch design allows users to simultaneously cut and sweep lawn clippings and debris.
- Patent-pending ergonomic dumping mechanism
- Patent-pending design allows sweeper to collapse for compact storage
- Easy bag removal w/patent-pending retainer lock design
- Patent-pending one-button brush height adjustment

190-217B-100

### 190-217B-100

- 206cc Briggs & Stratton® I/C OHV Engine
- 32 cu. ft. capacity
- 1 piece removal poly door
- 16" x 4" turf tread tires
- Heavy-duty hitch and hitch pin

---

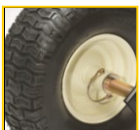

## Broadcast Spreader

45-0329-100

### 45-0329-100

- 3.5 cube (dry) / 175 lb. hopper capacity
- 40,000 sq. ft. coverage (approx. 1 acre depending upon material used and speed of operation)
- Rustproof poly hopper and spreader plate for increased product life
- Raised on/off control accessible from ATV seat
- Up to 12' spread width for reliable coverage
- Extra-large 15" x 6" pneumatic tires with ball bearings for reliability at even higher speeds
- Durable vinyl cover included

### UTV/ATV Tow Spreaders Gear Disengage

Allows for higher transport speeds and longer life.

### UTV/ATV Spreader Grate

Improves material flow and performance.

---

**Hopper Cover**

Ideal for keeping spreading material dry.

**Deflector Kit**

Agri-Fab® deflector kit\* #65353 narrows the spread width to 4 feet, controlling the flow of material & protecting areas from unwanted distribution.

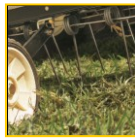

**Tow Dethatchers & Aerators**

0294-100  
45-0295-100

**45-0294-100 / 45-0295-100**

- 40" / 48" weight tray holds up to 70 lb.
- Heat-treated spring tines provide durability
- Simple-to-use cantilever transport handle for easy raising and lowering

**Tine Dethatcher**

Gently brings layers of thatch and clippings to the surface.

45-0369-100

**45-0369-100 - Spike Aerator**

- Unique patented design combines the best features of a plug aerator and a spike aerator
- Designed for thorough soil penetration without messy soil plugs
- 40" weight tray holds up to 100 lbs. for increased soil penetration
- 9" curved discs, galvanized for rustproof durability
- Simple-to-use cantilever transport handle for easy raising and lowering

**The Turf Shark™**

Spike wheels provide the perfect soil penetration without creating the mess of turf plugs

**45-0299-100 - 48" Plug Aerator**

- 48" weight tray holds up to 175 lbs. for increased soil penetration
- Eight spools of aerator knives, galvanized for rustproof durability

45-0299-100

- 10" x 4" pneumatic tires allow for smooth transportation
- Simple-to-use cantilever transport handle for easy raising and lowering

Aeration will loosen the soil to allow air, water and nutrients to

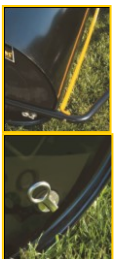

## Poly Roller

45-0268-100

### 45-0268-100

- 18" diameter x 36" wide
- Poly construction for rustproof durability
- 400 lb. (water) drum capacity
- Spoke-wheel insert adds strength and durability
- Lightweight when empty for easy transport and storage

### Scraper Bar

Prevents soil clumps from being compacted on the roller drum, and provides an even finish to lawns, bar fields or park surfaces.

### Roller Drain/Fill Plug

Located on each side, fill plugs accept a standard garden hose for fast, easy filling.

## Tow-Behind Sprayers

### 45-0292-100

- 15-gallon tank
- Large screw cap for easy mixing of chemicals

45-0292-100

- 7' spray coverage when booms are extended
- Easy operation from vehicle seat
- Connects easily to vehicles electric source

45-0293-100

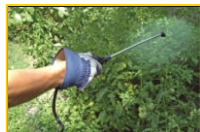

**45-0293-100**

- 25-gallon tank
- Premium SHURflo® 1.8 GPM pump for reliable operation
- Large screw cap for easy mixing of chemicals
- 7' spray coverage when booms are extended
- Easy operation from vehicle seat
- Connects easily to vehicles electric source
- Pneumatic tires allow for smooth transport

**Rear Spray Boom**

Covers approximately 7' to 13' depending upon the model.

**Hand Wand**

Sprays up to 30' for extra reach in trees or hard-to-reach areas.
