

Cub Cadet

ZTT EXCLUSIVE FEATURES

Comfort Package

Includes a 14" soft-touch steering wheel, 6" of seat travel, high-back seat and cargo net

Premium Kohler® Courage™ Engines

For longer engine life, quieter operation and a better ride. These engines are equipped with such features as full pressure lubrication, premium spin-on oil filter and cast-iron cylinder sleeves

Heavy-Duty Hydrostatic Transmission

Provide durable, reliable power and a smoother ride. They also offer more efficient transfer of power to the serviceable transmission while operating at cooler operating temperatures

Cast-Iron Wide Track Front Axle

For increased durability, while articulating to follow the contour of the terrain

SmartJet™ Deck Wash System

Allows for ease of cleaning after mowing

RevTEK™ Reverse Mowing Technology

When conditions permit, you can go from forward to reverse caution mode using a simple, two-step process

Robotically Welded Steel Frame

The powerful 12-gauge welded design lends to the Durability, as well as versatility, of the machine

Synchro™ Technology System

Patented control unit synchronizes steering of the front wheels and speed of the rear wheels based on input from steering wheel and accelerator
