

Cub Cadet

4x2 UTILITY VEHICLE EXCLUSIVE FEATURES

Wider Stance

A longer 63" stance for increased stability, and a top rated 1,400-lb. towing and payload capacity††

Stronger Powertrain

The 624cc Kohler® Command® V-Twin engine is the best on the market, providing the power necessary to tow and haul like a 4x4.

Smoother Ride

Independently adjustable 8" coil-over shocks provide 8" of suspension travel for increased comfort.

Tougher Structure

3" welded, ladder-style steel frame for increased durability.

†† Includes operator, passenger and bed capacity
