

# Cub Cadet.

## 4x4 UTILITY VEHICLE EXCLUSIVE FEATURES

### Wider Stance

A longer 63" stance for increased stability, and a top rated 1,400-lb. towing and payload capacity††

### Stronger Powertrain

The 624cc Kohler® Command® V-Twin engine is the best on the market, providing the power necessary to tow and haul like a 4x4.

### Smoother Ride

Independently adjustable 8" coil-over shocks provide 8" of suspension travel for increased comfort.

### Tougher Structure

3" welded, ladder-style steel frame for increased durability.

### Longer Warranty†

Both the Volunteer™ and Kohler® Command® engine come with a 2-year warranty to guarantee ongoing top performance.

† See your local independent Cub Cadet dealer for specific warranty information

†† Includes operator, passenger and bed capacity
