HIGH PERFORMANCE TO GET THE JOB DONE.

From their powerful, efficient 4-cycle engines to their tough, durable construction, our string trimmers and backpack blowers are built to perform season after season. So you can keep your home looking great year after year.

SEE HOW THESE FEATURES CAN MAKE ALL THE DIFFERENCE TO YOUR HOME AT CUBCADET.COM.

STRING TRIMMERS

We have a full line of curved- and straight-shaft models that make trimming around fences, trees and flowerbeds quick and easy.

- 4-CYCLE ENGINE: More fuel efficient, creates lower emissions and is quieter, making it better for the environment.
- BUMP FEED HEAD: Allows for continuous operation (available on most curved-shaft models).
- SWIFT START: "No-choke" starting system with EZ-pull recoil handle.

BLOWERS

Padded multi-point harness reduces vibration and heat while providing greater comfort and keeping the blower secure on the operator's back.

- ENGINE OPTIONS: 2-cycle or 4-cycle engines available in both handheld and backpack options so that you can choose the one that's right for you.
- POWER: Up to 150 mph of airspeed for the ultimate in power and high performance.

YOUR INDEPENDENT DEALER CAN ANSWER ALL YOUR QUESTIONS ABOUT THE MANY BENEFITS OF OWNING A CUB CADET.
