PRECISION PERFORMANCE FOR REMARKABLE RESULTS.

High-performance innovations and lasting durability. It's what you expect from every Cub Cadet product. With powerful, efficient 4-cycle engines and rugged construction, our string trimmers and backpack blowers are built to outperform everything else out there. So your home will look smart, year after year. And so will you.

INNOVATIVE FEATURES FOR AN INCREDIBLE EXPERIENCE. THAT'S THE CUB CADET ADVANTAGE.

STRING TRIMMERS

We have a full line of curved- and straight-shaft models that make trimming around fences, trees and flowerbeds quick and easy.

- **4-CYCLE ENGINE** (on select models): No mixing gas and oil. More fuel efficient, creates lower emissions and is quieter, making it better for the environment.
- **POWER START** (on select models): Allows trimmers to be started with a drill or cordless adapter.
- **3-YEAR WARRANTY***: Durable and quality components that will last an extended period of time.

BLOWERS

Both handheld and backpack blowers with ample power and speed to take on any job.

- **POWER**: Up to 150 mph and 450 cfm of airspeed for the ultimate in power and high performance.
- **VAC KIT** (on select models): Clean up leaves and mulch debris.
- **POWER START**: Allows blowers to be started with a drill or cordless adapter.
