HIGH PERFORMANCE TO GET THE JOB DONE.

From their powerful, efficient 4-cycle engines to their tough, durable construction, our string trimmers and backpack blowers are built to perform season after season. So you can keep your home looking great year after year.

INNOVATIVE FEATURES FOR AN INCREDIBLE EXPERIENCE. THAT'S THE **CUB CADET ADVANTAGE.**

STRING TRIMMERS

We have a full line of curved- and straight-shaft models that make trimming around fences, trees and flowerbeds quick and easy.

- **4-CYCLE ENGINE** (on select models): More fuel efficient, creates lower emissions and is quieter, making it better for the environment.
- **BUMP FEED HEAD**: Allows for continuous operation (available on most curved-shaft models).
- **ADVANCED STARTING TECHNOLOGY (AST)**: Dramatically starts with slow, steady pulls. Reduces starting effort.

BLOWERS

Padded multi-point harness reduces vibration and heat while providing greater comfort and keeping the blower secure on the operator's back.

- **ENGINE OPTIONS**: 2-cycle or 4-cycle engines available in both handheld and backpack options so that you can choose the one that's right for you.
- **POWER**: Up to 150 mph of airspeed for the ultimate in power and high performance.

String Trimmers

SPECIFICATIONS	ST 2020	BC 2090	ST 227c	ST 227s
Engine	31cc, 2-cycle	31cc, 2-cycle	27cc, 2-cycle	27cc, 2-cycle
