YOU CAN'T GET ANY BETTER.™

TOUGHNESS COMES STANDARD. NOT TO MENTION POWER AND PERFORMANCE.

The Cub Cadet Series 1500 is designed to take on the toughest jobs. With powerful engines, 54" triple-blade decks and welded steel frames, these tractors handle them with ease. And QuickAttach™ accessories and attachments help you get your chores done even quicker. When it comes to yard work, the Series 1500 will never back down. So you never break a sweat.

EASIER OPERATION

We use four-bolt hubs with lug nuts for added durability and ease of maintenance.

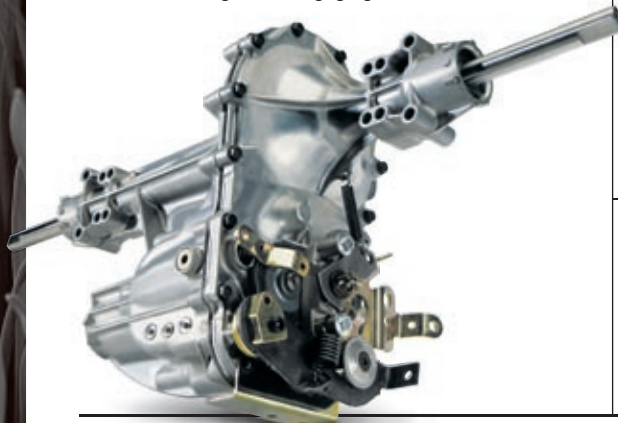

STRONGER ENGINES

Powerful Cub Cadet professional-grade engines by Kohler® and Briggs & Stratton® provide exceptional cutting performance, even in tall, thick grass.

SMARTER TECHNOLOGY

Heavy-duty hydro transmission is easy to use, and can handle ground-engaging attachments.

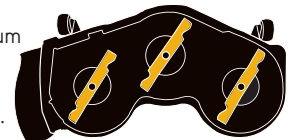

TOUGHER BUILD

Larger 23" wheels with 1" heavy-duty rear axle provide more stability and clearance for ground-engaging attachments.

CLEANER CUT

54" deck provides maximum cutting width while the rear striping deck rollers provide a professional cut.

WARRANTY†		
	3-year/120-hr and 5-year/500-hr limited warranty	

† Cub Cadet will provide a limited warranty for a period of 5 years or 500 hours, whichever occurs first, for the frame and pivoting cast-iron front axle on all new Cub Cadet Series 1500 tractors. For complete details on 3-year and 5-year limited warranties, see your Cub Cadet Independent Dealer or operator's manual. 3 years or 120 hours, whichever comes first. Warranty does not cover normal wear on parts, batteries, and frame and front axle. Frame and front axle are covered for 5 years or 500 hours, whichever comes first. See operator's manual for details on Cub Cadet's Manufacturer's Limited Warranty for Series 1500 Garden Tractors.
