

THE ENFORCER™ EXCLUSIVE FEATURES

Suspension Seat with Arm Rests

Offers comfort and support in all types of terrain

Premium Kohler® Engines

Choose from 20, 22, 23 hp* Kohler® Command® V-twin engines
*as rated by engine manufacturer

3-Way Adjustable Lap Bars

Adjust for individualized fit and greater comfort

Twin 5-Gallon Fuel Tanks

Provide longer running time and increased productivity; fuel tanks feature easily accessible shut-off valves and built in liquid diverter channels

Top Speed of 8 mph (3.5 mph in Reverse)

Provides the agility and speed to get the job done fast

Charged Transmissions

Provide more charged torque to carry the heavy-duty fabricated deck and allow for larger rear wheels and increased ground speed

Pivoting Front Axle

Promotes better ground-following and a cleaner cut; provides a more enjoyable and comfortable ride

Exclusive Command Cut System™

This innovative fabricated deck features a 1" - 4" cutting height, blades with an extended cutting edge for finer clippings, an even discharge pattern and reduced clumping
