MEET THE GARDEN TRACTOR THAT RAISES THE BAR ABOVE ALL OTHERS.

Cub Cadet builds the Series 2000 for those who demand more from their equipment. Starting with the Cub Cadet Signature Cut™ for a flawless, professional-quality cut every time. You get more power from professional-grade engines. More control with available Electronic Power Steering. And more life out of your tractor with a fully welded steel frame, cast-iron transmission, and the legendary Cub Cadet direct shaft drive. It may be smart for some to follow a leader, but it's even smarter to own one.

SMARTER FEATURES FOR A BETTER EXPERIENCE. THAT'S THE **CUB CADET ADVANTAGE.**

UNSURPASSED RESULTS OF THE CUB CADET SIGNATURE CUT™

Aerospace engineers developed an advanced cutting system with optimal airflow, blade overlap and floating deck for a perfect cut. The addition of anti-scalping wheels will deliver a professional-quality finish that will make you the envy of the neighborhood.

NEARLY EFFORTLESS ELECTRONIC POWER STEERING (EPS)

Fingertip steering control, easier maneuverability and more enjoyable operation. Available on select models, EPS lets the tractor do the hard work for you. Now that's smart.

UNPARALLELED PERFORMANCE

Spend time enjoying your yard, not being frustrated by it. The Cub Cadet direct shaft drive means there are no belts to slip or break, giving you maximum power and reliability. And a cast-iron transmission and front axle give you maximum toughness and long life for years to come.
